

2017 Northwood Junior Tennis Camps

Fundamentals Camp

For beginner and intermediate players

9:00 AM—to 12:00 PM

► Players 10 years old and under ◀

We follow the USTA 10 & Under format, utilizing smaller courts and age appropriate tennis balls. These players work on developing technique, accuracy and overall athleticism in a fun, and focused environment.

► Players over 10 years old ◀

Less experienced players that are older than 10 focus on developing sound fundamentals, movement and receiving skills. These players learn to rally and participate in competitive situations.

Academy Camp
